## FOOT CARE CAN BE DIFFICULT

As we age we sometimes have problems easily caring for our feet. Conditions such as arthritis may hinder our flexibility. Cataracts and other eye problems can make it hard to see what we're doing. Nails may become thick and awkward to trim.

Insurance does not cover this service.

## DO I NEED A DOCTOR'S REFERRAL?

If you have diabetes, problems with your circulation or neuropathy, you will need a referral from your doctor. Otherwise, a referral is not needed.
